- Book an overnight swag near the lions or monkeys (fees apply)
- Kiosk
- Gift shop
- Free barbeque facilities
- Limited mobility? Book the feeding tour on our Golf Buggy
- Only 10 minutes from Mansfield on the road to Jamieson

Mansfield Zoo is home to regional Victoria's largest collection of **native** and **exotic** species. We have over 100 animals in a park like setting, overlooking the Delatite Valley to Mt Buller.

We are an interactive Zoo and most of our animals can be hand fed by visitors. We provide a unique opportunity for children and adults to actively engage with our animals and learn more about their distinct personality and behaviour.
